

Thankful

Sana Lee

Thanksgiving isn't all about the turkey.
It's not all about the food.
Not even the pie.

We're thankful
for one thing
maybe another.
Or maybe everything.

A big thank you to everybody who's supported me
They couldn't have supported me better
Thank you to the people who surround me
You make me feel welcomed,
and not alone.

To my mom, dad, sister, cat
who's always there for me,
On good days or bad days,
My day always becomes better.

Thanksgiving isn't always about the turkey.
It's not all about the food
Not even the pie
but to look back
and reflect.

I know I'm thankful
Because there are millions of things to be thankful for.
I'm sure you're thankful for something, too.
