

## I Am Thankful For...

I am thankful for my family. Without my family, I wouldn't be here right now. I want to say thank you because they would do anything for me. I would do the same for them.

Another thing that I am thankful for is my dog, Cosmo. My dog is only supposed to live until he is ten. Cosmo is now fourteen years old. I am super thankful that I can spend everyday that I can with him. He is a great dog.

The last thing I am thankful for is my friends. My friends are always there for me when I need them. They are trustworthy, kind and would never turn their backs on me. I want to say thank you for all they have done for me.

These are a few things that I am thankful for.
