

The Blok Brothers!

Hi! We're the Blok Brothers and we are here to celebrate the best holiday!

WHAT? It's the most people don't say they are!

I am thankful for our Mom, Dad and our 8 other blok brothers!

Bye!

THANKS GIVING!

YEAH! Then we will make up for all of it this year!

When I was that was a lot of talk! So many things to be thankful for!

Bye!

It's named for my favorite party! The part when you say hi to your old friends!

Well first an thank you for food? A pile to sleep over our heads!

I am thankful to have a good education! You got it!

See ya!

Whisper whisper whisper

I am thankful for my own tree! I am thankful to be safe. I am thankful for all of my friends!

And lastly we are thankful for our friends! NOEMI!
