

I am Thankful to God for

By: Maryam Aamir, Grade 3, Andalusia Islamic School

I am thankful to God for all that you gave me
When I make a mistake You forgive me
When I ask for something You listen to me
When I am lost You guide me

I am thankful to God for my friends and family
So dear, kind and close to me
They are always there when I yelp
Coming ready to help

I am thankful to God for my Islamic School
We have soccer and basketball but no pool
Our Science Fair, Spelling Bee and playground are so cool
Get some good education and don't be a fool

I am thankful to God for my beautiful house,
my jewelry, my room, my pet mouse,
my iPad, my shopkins, my favorite blouse,
my TV, my Wii and my dollhouse

I am thankful to God for creating me,
and for everything around us so perfectly.
The mountains, the trees and the sea
You made the flowers, animals and rainbow so beautifully
