I Am Thankful For...

Hi I am Patrick Monahan I am thankful for many things one thing I am thankful for is my family. I am thankful for my family because. At times they are annoying and funny but I still love them. I like when we throw parties or we go to them! We don't usually throw them but my aunts do , most of their houses are big so that is good. We have a big family.

Another thing I am thankful for is my friends. I like to play with them I go to their houses and I play football with them. My friends are nice to me and they're good at sports like me.

These are some things I am thankful for.
