I am thankful for food and water. I am thankful for that because without that we wouldn't be able to survive. I am also very thankful for my family. I enjoy playing and watching sports with them and playing games with them. I am also very thankful for my friends. I hang out with them almost everyday after school. We play basketball, soccer, and sometimes knock on people's doors and ask to rake leaves for money. I am also very thankful for my home. Without that, I wouldn't be able to survive. That is important to me. I am also very thankful for my bike and electric bike. That is how I get around town with my friends. I enjoy riding both of them. This is some of the things I am thankful for.
