### I Am Thankful For...

The most important thing that I am thankful for is my family. The reason why my family is important to me is because they keep me safe and they don't keep me lonely. I also know who they are because if I live with strangers I would be crazy. The next thing that I am thankful for is my my house. I am thankful for my house because it's a large house and I can move freely. It has heat, water and food. That is why I am thankful for my house and family.
