Thankful Poem

I am Thankful for my family
I am thankful for my friends
We help each other randomly
I hope it never ends

Throughout every struggle
Throughout every fall
You always snuggle up to me
and give out your joy to all

My siblings always hang with me
Dillon,Jack and Aidan
I can now finally see
How much they mean to me

I'll always have a delicious meal
Whether meat or carbs or pizza
We always make a deal ashi
And no one's ever a diva

I would never trade my life for anything
Not money,not jewels,not even a new one
I wouldn't even trade it to be the king
When it comes to life I think I won!
