What are you thankful for?

I am thankful for my family.
I am thankful for my mother, my father
and my grandmother. I am very thankful
that my mother pushes me all the time to
do my very best in school, I am thankful
that she still manages to provide food, shelter
and support, and love to me, my little sister
and the child in her stomach, she does
all of it by herself. I am also thankful
for my grandmother. My grandmother,
is my pride, joy and my hero. She is a very
strong, smart, and independent woman. She
has been through a lot of hurt in her
life, she has always taken care of people.
Whenever my mother is not present my
grandmother sees is. I love my dad with
all my heart, he is not only my parent
but he is my best friend. My father
understands me better than anyone.
My father also does not have it well
financially and I do not see him often,
but he calls every morning and every
night and supports my education, and

he struggles often to stay on his feet
for me and my sister, and I am very
thankful.

Many people don't have parents,
grand parents or anyone to love and
support them. Every day I appreciate and
cherish the love I receive from my
mother.
