

THANKFUL

There are many things for which I am Thankful for in the world. I am thankful for my friends, school grades and things that I have. However, most of all I am Thankful for my life, for you to understand I need to tell you my story.

I was born on December 6, 2003, my mother Janoi Zaporja Jiggetts was 26 years of age when she gave birth to me. However, our relationship was cut short, 13 days later my mother passed away from a blood clot. Even though my life with my mother was short, I am Thankful of the gift she gave me, which was her mother, Carolyn Jiggetts, aka Mom, we are a Duo; it is me and her throughout the whole world. If she suffers, I suffer. My Mom/Grandmother is not alone when it comes to raising me, I also have my Stepfather, Harry, but I call him Abba who I am Thankful for. My mother also blessed me with 2 Aunts and 2 Uncles (Auntie Rae and Auntie Cynnarra, Uncle Travis and Uncle Lydell) which I am most Thankful. I am also Thankful for my Grandpa Herman Jiggetts. I have recently been Thankful for meeting my brother, Justin who is 15 years old for the first time. I have lots of family and friends that are a part of my life and I am so very thankful.

The message I am trying to say is that I am so Thankful for my mother giving me life and even though she had to leave me early, she gave me my FAMILY and I truly thank her for that. I am Thankful for the life I have and honestly, I wouldn't want to change anything about it
