Gratitude not Attitude

Being alive

I am thankful to be alive because children die everyday.

My family

I am thankful to have a family that supports me and makes me happy.

My mommy

I am thankful to have my mom who loves me and gives me shelter.

My dog

I am thankful to have my dog that watches over me and protects me.

Being fed

I am thankful to be feed every day because there are children who starve.

I'm thankful for:

My eyes to see

My hands to touch

My ears to hear

My feet to walk

My mouth to taste
