~ what are you thankful for? ~

I'm thankful for my mom and  
dad because they take care  
of me and make sure that  
I have something to eat  
every night. Also make sure  
that I have a safe over  
my head.

"What are you thankful for?"

I am thankful for my a Dogs Because  
they help me find my mom and Dad  
when I need help. They also tell me  
when something is wrong with my family

I am also thankful for my mom  
and Dad because they help me with  
my homework and they play with me  
when I want to play. They also cheer me  
up when I am feeling sad.

I am also thankful for my shelter  
because if I didnt have my house I  
would be living in the streets and I would  
have any money to buy food or clothes I  
would also have no comfortable place to  
live and sleep. I would not be able to  
watch TV or see what the weather is  
like.
