

Thankful for His Mercy!

I am grateful for his mercy,  
Shown in life's given wonders,  
A sunrise, a sunset, a rainbow after a storm!  
They are the simple reminders of His power!

I am grateful for his mercy,  
Shown in the kindness of others,  
A smile, a thank you, a shoulder to cry on!  
They are the symbols of angels on Earth!

I am grateful for his mercy.  
Shown in the silence at midnight,  
A stillness, a calmness, a whisper by the wind!  
They are signs of peace sought after!

I am grateful for his mercy,  
Shown in the sadness of a child's eyes.  
A teardrop, a loud cry, a sound of constant pain!  
They are what fill my heart with gratitude for life itself!
