

What am I thankful for this year?

Brian Small

I am thankful for good health, a great school, and great family, I'm thankful for my parents for giving me nice things that I wanted. Im also thankful for thing like nice teachers and a good school. Im thankful for things some people take for granted like our freedom and even things like good weather and a good community. I thank God for the birds in the air, the sun in the sky, the clothes on my back, the clouds in the sky, and the flowers in the ground, but most of all my family.
