WHAT I'M THANKFUL FOR

*What am I thankful for you may ask?
Well I don't know there is a lot to chose.
My friends, my family, or even my cat.
If anything it could be my shoes!*

*Yes I am thankful for something,
And yes there is a lot!
I'll tell you what i'm thank for for.
It is all that i've got!*

*From friends to family.
From a cat to a mouse,
And clothes to shoes.
Don't worry I didn't forget my house!*

*So that's all i'm thankful for,
But don't be surprised if there is more to come.
I still have a lot to find if there is more to be thankful for
But don't be surprised if i'm thankful i get to hum.*

*To be thankful for toys is I say greedy.
To be thankful for family that is something cool.
To be thankful for friends I believe that is nice.
To be thankful for anything else it might be good or bad for example a pool!*
