

I am thankful for this year  
is for my mom healing from her  
head injury. Also for going to  
school and church. And for getting  
to go on vacation and to  
have fun with my family.

I am also thankful for that  
we got a christ-like president.  
Also, I am thankful to spend  
thanks-giving with some of  
my relatives. I am thankful  
for the food and toys I own.

I am also thankful for  
God.

Jonathan Woodward
