

## Thanksgiving

The outstanding holiday of pure love and cheer,  
Celebrated in warm hearted homes with lovely family kin,

Luscious turkey,

Creamy cake,

Freshly mashed potatoes,

Finely a fruitcake.

But wait, what if someone can't enjoy this lovely event?

The elderly neighbor or lonely man?

Don't forget to invite them to share with you,

The spirit of gratefulness in full,

This day I know for sure what I am thankful for:

My family, neighbors, community and that there is no WAR!!!
