Agreement Between WeWork and 32BJ SEIU**

Hoylman: The agreement reached by WeWork and 32BJ SEIU sets an example for how the sharing economy can support working New Yorkers.

"The agreement reached by WeWork and 32BJ SEIU sets an example for how the sharing economy can support working New Yorkers. WeWork has quickly become a center of entrepreneurship in New York City and across the globe, and I applaud them for recognizing that innovation can and should go hand in hand with good-paying jobs and benefits."
