

Ethan K. AMDA School #12

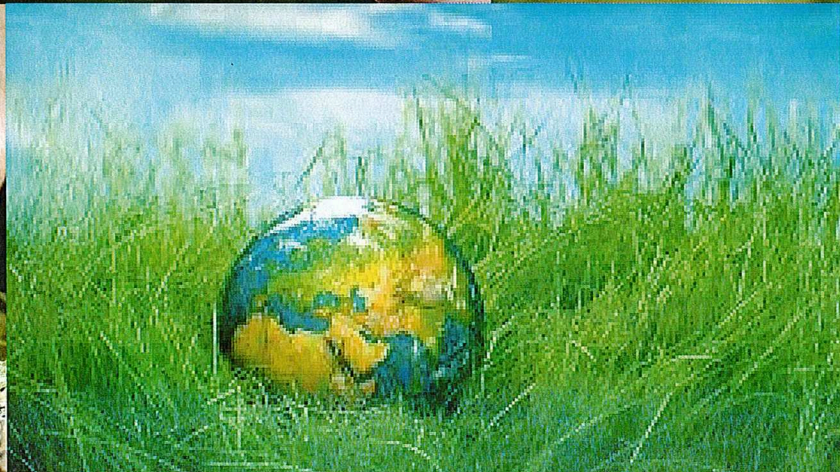

Everyone should help the Earth

Avoid littering

Recycle your trash

Teach others to help the earth

Help other people help the earth

Keyshaun chatman

School 12

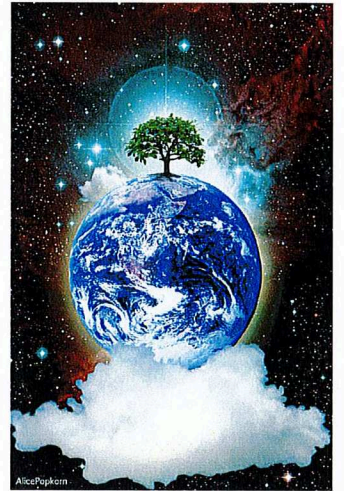

Room 340

Reuse things that you use to drink and eat

Earth is our home

You can help earth

Create opportunities to be sustainable

Young people need to step up

Clean the environment

Learn about how to help our earth

Educate other people

Reduce using water

Everyone should stop throwing trash on the floor

Clear the road from plastic

Yearly about 292. Million tons of thrash is on thrown on the floor

Cans and bottles should be recycle

Let's keep the earth healthy

Everyone take care of the earth

Mugisha Prince
School 12
Room 340

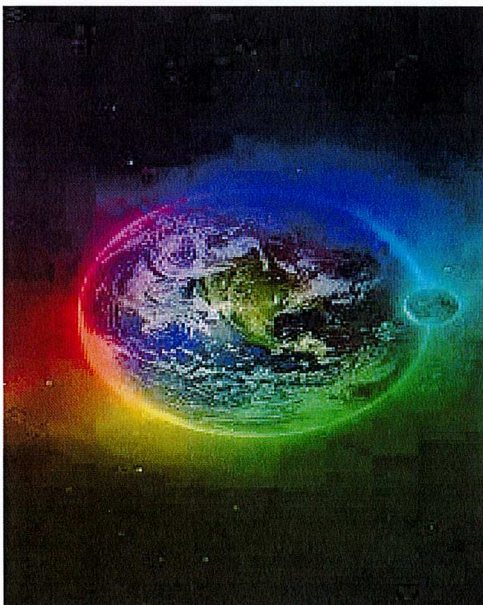

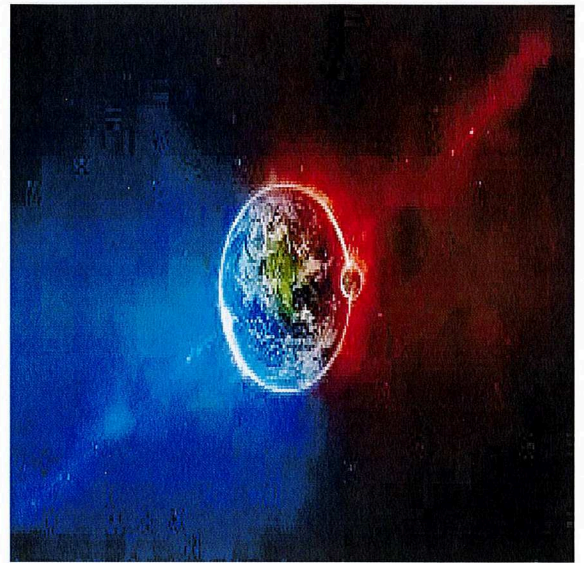

Everyone on earth

All the people on earth

Recycle the trash

The earth is the safe place for us

How do people live on the earth

ABDIKANI ABDI

School 12

Save the world and be happy together
Around the world we see people happy
Vare good world
Eat and throw away your trash

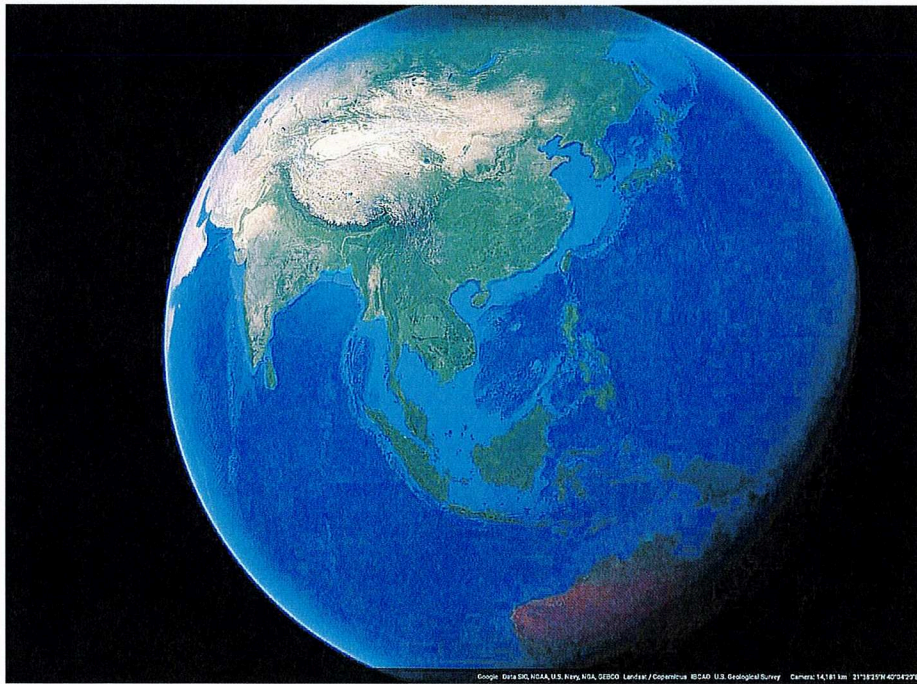

Together we are around the earth
Help the earth feel good and strong
Earth is the best places to go around the world

Earth is good and it has trees gives us oxygen
Around the world we see different animals the love the earth
Regrow plants and trees
Treat your earth well
How we take care of the earth

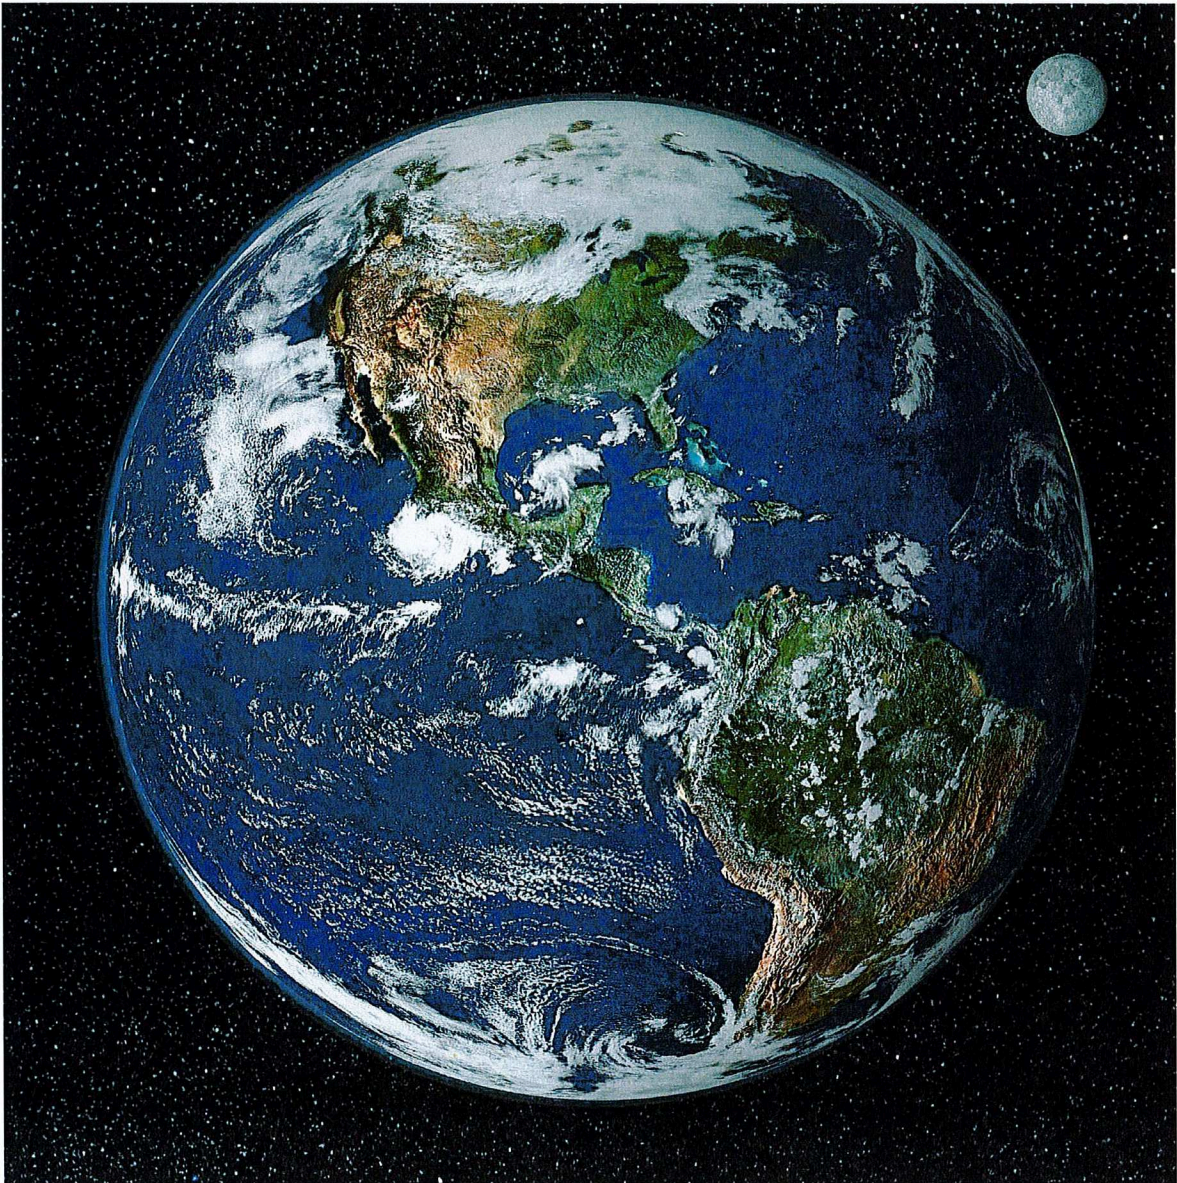

Kamryn Reid
School 12

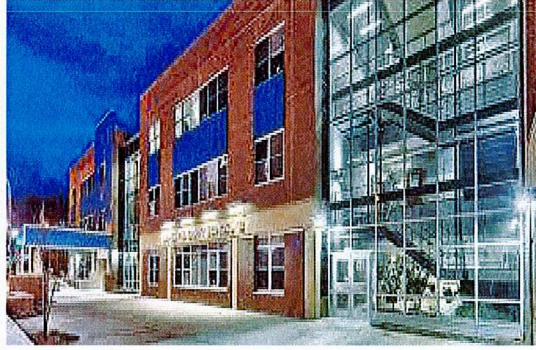

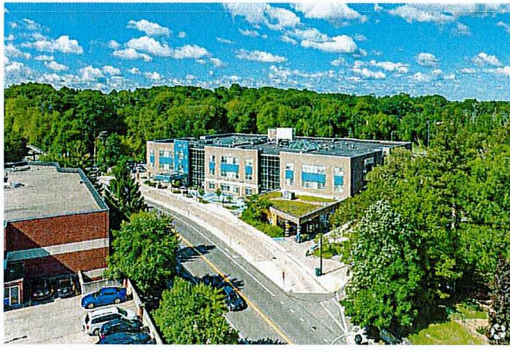

Every day you should try not to use so much water
At day you should use a bike and not car to help the sky
Recycle your trash and bottle
Taking care of the earth
Help save the earth from pollution

T ogether we can save earth

H elp earth with me

Ashton Glenn
School 12
Room 340

Everyone should use less plastic

Ask for help

Reuse objects to save on waste

Think of the environment

Help the planet from harm

Eric wright school 12 class 340

April 22nd is Earth day.

Please help the earth by

Recycling plastic bags and saving water.

I hope you make sure to help the earth in our own way.

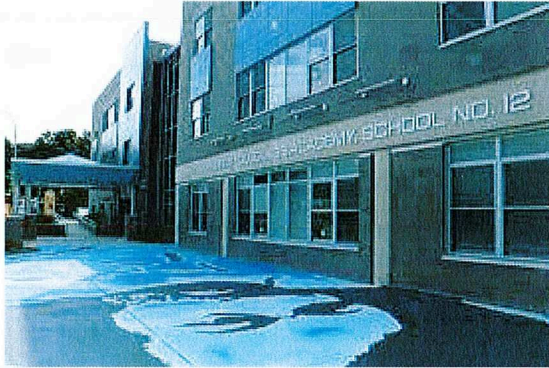

Lets help our planet together.

2 + 20 =22

2 + 20=22

School 12

Room 340

Everybody should recycle

Anyone in the world should reuse their water bottles

Reduce using water

The littering has to stop

Help the environment

Zayden Smith
room 340
teacher
mrs little
school No 12

Save our earth.

Anyone is open to help the earth

Vist the ocean and collect the plastic bags

Earth is a team together.

Everyone recycles the Earth

As a team save the Earth

Rage to help the Earth.

Tell other people to help the Earth

Help save the Earth and people.
